Having A Basic Understanding of Some Old Testament Truths

Part 426 – Word Against Israel Through The End Of Great Houses (Amos 3:1-15)

1. Though God had a special relationship with Israel, did He overlook their transgressions?

2. In a rhetorical question, what did the Lord teach about walking together?

3. What points are being made with the rhetorical questions about the lion in the forest and the young lion crying out?

4. What points are being made with the rhetorical questions about the snares?

5. As the rhetorical questions get more pointed, what should Israel have considered about what was going on in their cities?

6. If God planned to do something, who would He reveal that to?

7. Through Amos, what fearful message was published?
